Dear Mr. Otani:

Re: Photographs of the Blazon Mine Site Submitted to DOGM, File Number
INA/007/021, Carbon County, Utah

Pursuant to your request for return of your Blazon photographs, I have reviewed the status of photographs that you have submitted to the Division depicting various configurations of this mine site. To the best of my knowledge, all of your photographs were submitted in conjunction with a hearing, and now constitute part of the record of the hearing. Under these circumstances, the Division cannot return the photographs to you. Should you wish to obtain copies of these photographs, the Division will release the originals to a bonded representative of a commercial photography company who can make the copies at your expense.

Sincerely,

Lowell P. Braxton
