Carbon County, Utah

This letter is in response to your correspondence of October 31, 1990, to Tom Mitchell, Assistant Attorney General for the Division, concerning the reclamation responsibility for the Blazon No. 1 Mine. I appreciate your concern regarding the standing of Mr. Otani's claims as well as the Division's relationships. However, I see no basis for Division action which would alter NAE's responsibility with respect to reclamation of the Blazon Mine.

Best regards,
