Dear Mr. Affleck:

Re: Regarding Proposed Assessments for Notice of Violations N90-13-4-1 and N90-28-6-1, North American Equities, Blazon #1 Mine, ACT/007/021, Carbon County, Utah

Pursuant to my telephone conversation on October 2, 1990 with Mr. Rich Haddock, the Division has determined that under R614-401-800 the amounts of proposed assessments must be placed in escrow with the Division prior to commencement of any formal hearings contesting either the penalty or the fact of the violation. Based on our discussions on September 27, 1990, the following two violations will be a subject of formal hearings to be held on October 17 and October 25, 1990:

Proposed Assessment - N90-13-4-1 - \$520

Proposed Assessment - N90-28-6-1 - \$560 (The Proposed Assessment for this violation was mailed October 3, 1990.)

The total amount of these Proposed Assessments must be placed in escrow, as provided in R614-401-820, prior to commencement of the hearings on October 17, 1990. Funds should be directed to Ms. Vicki Bailey at the above address.

Sincerely,

Lowell P. Braxton
Associate Director, Mining
