Re: Inspection Report for Blazon #1 Mine, Carbon
County, Utah

Dear Mr. Demczak:

On June 24, 1991, CT Corporation System ("CT") received by regular mail an Inspection Report for Blazon #1 Mine, Carbon County, Utah. CT Corporation is not the permittee or operator in the Blazon #1 Mine and has no interest in the property shown in this report. We are therefore returning the document to your attention.

If you were serving the report on CT as the registered agent for another corporation please correct the document to reflect the corporation's name and return it to CT.

Very truly yours,

CT CORPORATION SYSTEM
