Re: Proposed Assessment for State Violation No. N91-39-4-2, Blazon #1 Mine, Act/007/021, Folder #5, Carbon County, Utah

Gentlemen:

On June 21, 1991, CT Corporation System received by Certified mail a Notice of Proposed Assessment for State Violation No. N91-39-4-2, Blazon #1 Mine. CT Corporation does not have an interest in this action but we may be the registered agent for a corporation that does. Since CT Corporation acts as registered agent for literally thousands of corporations, we have no way of knowing which corporation the documents were intended for. Therefore, we are returning the notice to you.

If you wish to write the intended corporation's name on the notice and return it to our office we will gladly forward it to the correct individuals.

If there are any questions, or if I can be of further assistance, please contact me.

Very truly yours,

CT CORPORATION SYSTEM
