DATE OF INSPECTION: July 16, 1991

(Comments are Numbered to Correspond with Topics Listed Above)

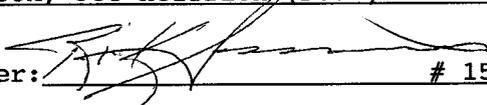

The site was inspected with Mr. Steve Tanner, representing Mr. Jack Otani (landowner). The entire disturbed area was inspected, including a walk along the highwall area. There is evidence of some minor highwall slumping near the midpoint of the highwall. No maintenance has been conducted at the site since the last inspection and conditions appear to be similar as described in previous inspection reports.
