Dear Mr. Nikas:

Re: North American Equities Certificate of Insurance.

It appears that a mistake was made regarding the Certificate of Insurance you sent me on April 30, 1991. I am returning that certificate which shows Rural Utah Child Development as the insured. The Certificate of Insurance which we need is for the North American Equities Blazon Mine.

Would you please send us a copy of the North American Equities Certificate for the Blazon Mine? We would also like to have the mine identification number 007/021 listed under the description of operations if possible.

Thank you for your help in clearing up this situation. If you have any questions, please feel free to call.

Sincerely,

Daron R. Haddock  
Permit Supervisor
