Re: Blazon Mine, INA/007/021, Carbon County, Utah

Dear Ms. Nielson,

This letter is in response to your November 10, 1992 letter documenting the Braxton/Tanner site meeting of October 22, 1992.

Since that time, I have spent considerable time reviewing the entire situation and feel that a meeting would be in order to have the Division clarify past happenings and to discuss Division and Land Owner expectations.

I am however, unable to find an avenue within the regulations allowing the Land Owner the right to request such a meeting, please advise me as to the proper procedure.

Sincerely,

  
Steve Tanner
