Re: Board Order for Non-Consensual Entry, North American Equities, Blazon Mine, (Folder #2, INA/007/02), AMR/007/925, Carbon County, Utah

On August 7, 1996, I posted a board order for non-consensual entry at the entrance gate to the Blazon Mine near Clear Creek, Utah. The order was on an 8-½ X 11-inch sheet of paper backed with a piece of cardboard and enclosed in a plastic covering. I threaded wire through holes punched around the edges of the order and attached it to the gate. I then took three pictures of the order trying to show the sign at the entrance to the mine.
