We should note in our records and on our inspection report that the Blazon site changed hands in 2012. The change of ownership was filed with the Carbon County recorder in Dec 2012. I've attached the Plat map and a topo. map with the plat overlaid. The new owner is Jacob Lake Hills, LC.; 349 East 200 South; Pleasant Grove UT 84062

The new owner is likely responsible for blazing the road through the reclaimed site. The road was first noticed August 6, 2012 (Insp Rpt. #3212).
