RECEIVED

MAR 13 1981

DIVISION OF
OIL, GAS & MINING
RE: ACT/007/022

Mr. Cleon B. Feight, Director
Utah Division of Oil, Gas and Mining
1588 West North Temple
Salt Lake City, Utah 84116

Attention: James W. Smith

Dear Cleon:

The Division has reviewed the Mining and Reclamation Plan (MRP) for Beaver Creek Coal Company's Castle Valley Spur. Generally speaking, the wildlife resource information is adequate in relation to the guidelines provided to the applicant by OGM on July 10, 1980.

The Wildlife Plan is also adequate.

The Division has no other comments.

Thank you for an opportunity to review this permit application.

Sincerely,

John Livesay, Supervisor
Southeastern Region
