RE: C.V. Spur  
ACT/007/022  
Carbon County, Utah

Dear Jim:

Enclosed is OSM's cultural resources portion of the package for the Castle Valley Spur loadout and preparation facility. The Division is not at the stage of granting final approval of the plan due to a lack of technical information in other areas.

We would like to utilize your expert opinion on the stipulations which OSM has found the applicant has not adequately addressed. We will then forward a letter to ARCO Coal Company requesting information, if needed.

Thank you for your consideration of this matter.

Sincerely,

SALLY KEFER  
RECLAMATION HYDROLOGIST
