Attention: Ms. Sandy Pruitt

Dear Sandy:

Per your directive on December 16th concerning maintenance of sedimentation control measures at Beaver Creek Coal Company's C.V. Spur Coal Processing and Loadout Facility (see attached notice), I have inspected the drainage and culverts and identified the ones that are in need of cleaning. The enclosed map outlines in yellow those drainage features that will be cleaned or re-established.

If you have any problems with this plan, please contact me or Dan Guy in Price at (801) 637-5050.

Sincerely,

BEAVER CREEK COAL COMPANY
