Dear Mr. Harvey:

We have received the completed form which designates Brigham Young University as operator on Federal lease SL-063720. Also, on that same form is the private surface owner's signature which permits use of the surface.

Enclosed is a copy of a letter dated August 26, 1982, addressed to you from the State Division of Oil, Gas, and Mining which gives the Division's approval subject to conformance with its regulations. Also enclosed are performance stipulations and a copy of the approved plan.

Your exploration plan is, hereby, approved subject to the stipulations and to you meeting the requirements of the State as outlined in its letter to you dated August 26, 1982.

If you have any questions, please contact Tim Abing or me.

Sincerely yours,

Jackson W. Moffitt
District Mining Supervisor
