INSPECTION MEMO
TO COAL FILE

RE: Beaver Creek Coal Company
C. V. Spur
ACT/007/022
Carbon County, Utah

A partial inspection was conducted at C.V. Spur on May 5, 1982, by Jean Doutre of the Division of Oil, Gas, and Mining to observe compliance on NOV #82-1-2-2 1 of 2 accompanied by Dave Meyer of ARCO as environmental coordinator for Beaver Creek Coal Company.

A tour of the area showed that the revegetation of the subsoil and topsoil stockpiles was doing quite well compared to past dry seasons. The berm at the base of these piles was complete and staw bales were in place so they were awaiting termination.

Mr. Helfrich terminated NOV #82-1-2-2 the following day.
