RE: ACR Response  
Beaver Creek Coal Company  
C. V. Spur Preparation Plant  
Carbon County, Utah

Dear Mr. Smith:

We appreciate the information concerning the sedimentation ponds for the above mentioned project. The drawings indicate that the ponds will be incised, thus eliminating the threat to life and property. The water rights for the project, also, appear to be in order.

This letter will serve as approval from this office for the construction.

Sincerely,

  
Dee C. Hansen, P.E.  
State Engineer
