Exemption

ACT/007/022  
Folder No.'s 3 & 4  
Carbon County, Utah

Dear Mr. Raymond:

As discussed on the phone with you on April 6, 1983 the Division hereby modifies the condition to the Small Area Exemption, approved March 28, 1983 as follows:

Condition

Prior to April 8, 1983 straw bales will be staked down along the road to serve as a temporary berm. An adequate berm of a permanent nature will be constructed in conjunction with the modification to sediment pond #6, but no later than May 1, 1983.

Also, it will be necessary to submit a typical cross-section of the regraded road and berm and provide a map showing the drainage patterns in the area. This map and cross-section should be submitted by May 1, 1983.

Should you have any questions, please don't hesitate to call.

Sincerely,

  
LYNN KUNZLER
