In compliance with Section UMC 786.11(a) of the Utah Coal Mining Reclamation Act (UMC, Section 40-10-1 et seq.), notice is hereby given to the general public that a complete plan is available for public review for this proposed operation.

The C.V. Spur Prep. Plant is located in Miller Creek, approximately 4 road miles southeast of Price, Utah. The following are the legal descriptions of the permit area:
