TO: Inspection Memo to Coal File
FROM:: Barton Kale, Mining Field Specialist *BOK*
RE: Beaver Creek Coal Company, C. V. Spur, ACT/007/022,
Folder #7, Carbon County, Utah

A partial inspection was conducted at the above mentioned mine site on August 17, 1984 by Barton Kale of the Division . The inspector was accompanied by Dan Guy of Beaver Creek Coal Company.

A tour of the facilities revealed no problems at this time. Ditches and diversions were operating as designed. The only item of interest is that operator still insists that the dry ponds will be cleaned this summer.
