Permitting and Compliance  
Beaver Creek Coal Company  
P. O. Box 1378  
Price, Utah 84501

Dear Dan:

The Division wishes to express its appreciation to you for your efforts and cooperation in working with the staff over the past several years to bring Beaver Creek Coal Company's mining operations into compliance with Utah's permanent coal program.

Although we have had some differences of opinion on occasion, overall it has been an excellent relationship and one which I hope will continue throughout Beaver Creek's mining and reclamation activities within the State.

Thanks again.

Sincerely,
