Mr. J. A. Herickhoff  
General Manager  
Beaver Creek Coal Company  
P. O. Box 1378  
Price, Utah 84501

Dear Mr. Herickhoff:

RE: State Permit Approval, C. V. Spur Preparation Plant,  
ACT/007/022, #2, #4 and #6, Carbon County, Utah

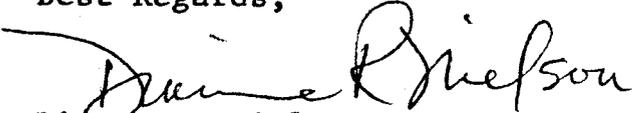

The Division has received Beaver Creek Coal Company's written acceptance of Stipulations regarding the Division's Final Technical Analysis and Decision Document for Beaver Creek Coal Company's C. V. Spur Preparation Plant, thereby indicating that Beaver Creek Coal Company will comply with all conditions and time frames set forth in the permit. A signed and executed bond in the amount of \$2,017,669.00 and payable to the State of Utah has also been received.

Therefore, the State of Utah hereby issues Final Permit Approval for the C. V. Spur Preparation Plant at this time. Consider this letter to be the Permanent Coal Regulatory Program Permit for the above-referenced operation. This permit is issued in conjunction with the additional permit conditions required by the Utah Coal Mining and Reclamation Permanent Program, Chapter I (UCA, 40-10-1 et seq.), Section UMC 786.29 (appended to this letter). Please assure that all conditions with time deadlines for completion are fulfilled utilizing this date, August 6, 1984, as the permit approval date.

The Division greatly appreciates the cooperation and enthusiasm your staff has shown in working with us during the permitting process, and we look forward to dealing with your company in the future.

Best Regards,

  
Dianne R. Nielson  
Director
