RE: M.R.P. Amendment
Refuse Disposal
C.V. Spur Loading Facility
ACT/007/022, #3 and #4
Carbon County, Utah

Dear Mr. Hedberg:

Pursuant to your letter of October 28, 1985, I have enclosed 8 copies of our proposed plan to extend the perimeter of our refuse pile.

The drainage and cross-sections of the area are shown on the map. The integrity of inlet and outlet channels for the pond will be maintained as approved, and the inlet structures will be lined with a 6" M.D. rip-rap as shown.

If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
Manager of Permitting and Compliance
