Dear Mr. Guy:

RE: C. V. Spur Prep. Plant, ACT/007/022, Folder #8,
Carbon County, Utah

The Division received your December 16, 1985 letter on December 18, 1985. With that letter, you enclosed a letter dated February 27, 1985 from R. D. Campbell. As I am sure you realize from reading (1) the NOV (2) the letter accompanying the proposed assessment dated October 11, 1985 and (3) the letter accompanying the final assessment dated December 11, 1985, (signed and received by you on December 13, 1985), you have passed all possible dates of agency appeal. Your only appeal at this point is to the Board of Oil, Gas and Mining. Please refer to the December 11, 1985 letter for the proper time frame and procedure for appealing to the Board.

Should you wish to present such information to the Division in the future, please be advised (as each person is on the NOV form served) that you have 15 days to submit such.

Sincerely,

Mary Ann Wright
