Dear Mr. Guy:

Re: Conditional Approval, NPDES Permit Change, C. V. Spur
Preparation Facility, ACT/007/022-87A, Carbon County, Utah

The Division grants conditional approval of the proposed amendment to the C. V. Spur NPDES permit. While this permit is under the jurisdiction of EPA, the modification of it changes the operational scheme at C. V. Spur with regard to water discharges.

Upon approval by EPA would you please send 14 copies of the complete modified NPDES permit for insertion into the approved C. V. Spur MRP.

Sincerely,

A handwritten signature in cursive script that reads "Thomas Munson for".
