Dear Mr. Guy:

Re: Five-Year Permit Renewal Application, Beaver Creek Coal Company, C. V. Spur Preparation Plant, ACT/007/022, Folder No. 2, Carbon County, Utah

This letter is to inform you that the Five-Year Permit Renewal Application for the C. V. Spur Preparation Plan should have been submitted to the Division by April 8, 1989. The Division recognizes that major permitting and/or compliance problems do not exist at the C. V. Spur Preparation Plant. However, the Division is also aware that unless the renewal application is determined complete by June 6, 1989, the current permit will expire before permit renewal can be achieved. Accordingly, the Division is requesting that the C. V. Spur Preparation Plant Permit Renewal Application be submitted by no later than May 1, 1989. Please be aware that failure to submit by the May 1, 1989 deadline may result in enforcement action.

Sincerely,

A handwritten signature in cursive script that reads "Richard V. Smith".

Richard V. Smith
Acting Permit Supervisor
