Dear Ms. Grubaugh-Littig:

The Utah State Historic Preservation Office received information on the project referenced above on November 7, 1991. We understand that this involves transfer of permits only, and will not cause any additional effect to any known or potential cultural resources. Should actions occur which will effect cultural resources, we will review such documentation as it is received by our office. We appreciate being informed as to the progress of the project and will be adding this information to the case file.

This information is provided on request to assist the Division of Oil, Gas and Mining in identifying historic properties, as specified in 36 CFR 800, for Section 106 consultation procedures. If you have questions or need additional assistance, please contact me at (801) 533-7039.

Sincerely,

*James L. Dykman*
