Re: Addition of Rock Gabions
 C.V. Spur Permit
 ACT/007/022
 Carbon County, Utah

Dear Ms. Littig:

At the request of Mr. Malencik, Mountain Coal Co. is herein requesting approval to install 4 rock gabions in Ditch CD-8, southeast of the coal stockpile area. This addition should prevent cutting of the ditch in the upper reach, and deposition in the lower part.

I have enclosed 3 copies of the revised Plate 3-2 for insertion in the permit upon approval.

If you have any questions, or need any further information, please let me know.
