Dear Ms. Littig:

In response to your denial letter of 7/20/93, Mountain Coal Company is herein submitting 3 complete copies of a new proposed amendment to delete the Jensen Property from the C.V. Spur Permit.

Included with this submittal are:

- (1) Justification for deleting the property, showing it was included by error and not part of the C.V. Spur operation;
- (2) Berm design and cross-sections;
- (3) Updated maps showing the revised permit boundary (including a Permit Area Map).
- (4) Permit change forms.

It is our hope this revised amendment will meet with your approval. If you have any questions, or need any further information, please let me know.

Respectfully,
