Dear Ms. Welt:

Re: Permit Description, Mountain Coal Company, C.V. Spur coal Processing and Loadout Facility, ACT/007/022-93E, Folder #2, Carbon County, Utah

Information received January 24, 1994 relative to this amendment has been reviewed. The amendment documents can be approved except for the reclamation plan, paragraph 3.5.3.3, page 3-54c. The proposal not to reclaim all disturbed areas cannot be accepted. The permittee must commit to removing the pipeline and reclaiming the area as soon as practical thereafter.

Please submit this commitment by March 3, 1994. If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".
