9/6/96

Dear Mr. Malencik:

Savage Industries, Inc. is herein submitting 4 Copies of updated information for the Savage Coal Terminal M.R.P., as requested in Item 1 of Mr. Helfrich's letter of 09/20/96 concerning N.O.V. N96-26-3-1.

As we discussed, Item 2 of the letter can't be changed; therefore, no submissions will be made on that portion. The disturbed area has been reseeded in accordance with Item 3.

It is our hope this will resolve the requirements for dismissal of the N.O.V. If you have any questions or need any further information, please contact me.

Sincerely,
