NOTICE

The following notice of intent to construct, submitted in accordance with Section R307-1-3.1, Utah Air Conservation Rules, has been received for consideration by the Executive Secretary, Utah Air Quality Board:

Savage Industries, Incorporated

2025 East 5000 South

Price, Utah

Coal handling operations

Location: Six miles south-southeast of Price, Utah, Carbon County.

Project Description: Modification to existing Approval Order which was originally issued to ARCO Coal Company

There will be no net change in emissions increase with this modification.

The engineering evaluation and air quality impact analysis have been completed and no new violations of National Ambient Air Quality Standards or Prevention of Significant Deterioration Increments will occur. It is the intent of the Executive Secretary to approve the construction project.

The construction proposal and estimates of the effect on local air quality are available for public inspection and comment at the Division of Air Quality, Utah State Department of Environmental Quality, 150 North 1950

West,

its received by the Division, at the same address on

or befo

g the final decision on the approval/disapproval of

If anyone so requests to the Executive Secretary at the Division in writing, within 15 days of publication of the Notice, a hearing will be held to explain the project and technical rationale for proposed action. A hearing will be scheduled as close as practicable to the proposed project location. Comments obtained during a hearing will be evaluated and considered by the Executive Secretary before making a final decision on the approval/disapproval of the project.

Date of Notice: November 14, 1996
