Re: Updated Information - Utah Coal Regulatory Program

Dear Mr. Jensen:

I am pleased to be working with you in the Coal Regulatory Program. There are three items that I would like to update for you: Enclosed is a copy of the updated rules for the Utah Coal Regulatory Program, current through November 1, 1996. Also enclosed is an updated form(s) for your mine(s) for use in the permit change process which reflects the correct number of copies that are required to be submitted for a permit change. We regret any confusion which may have occurred in the past.

Last, in order to increase the efficiency of mail routing at the Division, please address all correspondence to:

Sincerely,
