***Re: Five - Year Permit Renewal
Savage Coal Terminal
ACT/007/022
Carbon County, Utah***

Dear Pam,

Enclosed are 3 copies of the revised compliance history with descriptions of the violations. I haven't received a letter requesting these, but Boyd is on vacation, and I assumed the requirements would be the same as for Gordon Creek 2/7/8.

The have gone ahead and published the Public Notice. If you have any questions, please let me know.

Respectfully,

Dan W. Guy
