Re: Bond Adjustment Correction, Savage Industries, Inc., Savage Coal Terminal, ACT/007/022,
Folder #3, Carbon County, Utah

Dear Mr. Jensen:

On August 17, 1999 the Division sent you a letter asking for additional information which could be factored into the reclamation cost estimate at the Savage Coal Terminal. Shortly thereafter, we were contacted by Dan Guy with Blackhawk Engineering who reminded us that the information had been previously provided. He also provided us a copy of the revised reclamation cost estimate (Appendix 3-4) that had been approved in 1997. We have now updated our records to reflect the more accurate information. This information has addressed our needs and it is no longer necessary for you to provide us anything. We apologize for the confusion.

Thank you for your help in resolving this issue. Please call if you have any questions.

Sincerely,
