Re: *Drumming*  
Truck Dump Amendment  
Savage Coal Terminal  
~~ACT/0071022~~  
Carbon County, Utah *Amold*

Dear Mr. Haddock:

Enclosed are 3 copies of a proposed amendment for the No. 5 Truck Dump at the Savage Coal Terminal. The proposal is simply to move the existing truck dump approximately 200' to the south to provide for more usable stockpile area. All of the proposed area is presently approved for coal stockpiles.

There are no new structures proposed for this change, other than the extension of 3 existing culverts to maintain existing drainage patterns. The culverts have already been sized and approved for the projected runoff volumes.

Since this is simply a relocation of an existing facility, no new bonding calculations or changes to the Air Quality Approval Order should be necessary. All proposed activities will be confined to existing disturbed areas.

I appreciate your consideration of this matter. If you have any questions, or need additional information, please let me know.

Sincerely,

Dan W. Guy

Boyd Rhodes
