Re: Request for Additional Extension
Midterm Review
Savage Coal Terminal
C/007/022-MT02

Dear Mr. Haddock:

Savage Industries, Inc. is herein requesting an additional extension for the remaining midterm review information for the Savage Coal Terminal Permit to August 16, 2002. An on-site meeting with our consultant and Division couldn't be scheduled until July 17, 2002. This additional extension of time will allow for re-evaluation of the Reference Area, as well as any necessary surveying or drafting of changes resulting from the on-site.

It is our hope this extension request will meet with your approval. If you have any questions, or need additional information, please let me know.

Sincerely,

Dan W. Guy
