Dear Mr. Haddock:

Savage Industries, Inc. has decided not to relocate the truck dump as proposed and approved in your letter of July 3, 2001.

Per our phone discussion on 2/13/2003, this project has been cancelled and can be cleared from your files. There were no text changes associated with the amendment. A proposed Plate 3-10 was submitted as a replacement. The original Plate 3-10 will still be valid.

If you have any questions, or need additional information, please let me know.

Sincerely,

Dan W. Guy
