Re: Culvert Amendment
Savage Coal Terminal
ACT/007/022
Carbon County, Utah

Dear Pam:

Enclosed are 3 copies of a proposed culvert amendment for the Savage Coal Terminal M.R.P. The proposal is to combine existing culverts C-13 and C-13A into one culvert. The culverts are in front of the main office and are separated by an open ditch. On more than one occasion, people have driven into the ditch thinking it was all one driveway. This proposal will allow the elimination of approximately 100' of ditch and increase safety, while not changing any other hydrologic controls. Runoff from the parking area will still go into the existing ditch below culvert C-13.

Please note this is a resubmittal of the previous culvert amendment, at the request of Mr. Steve Demczac. The old amendment may be discarded.

Amended pages and maps for the M.R.P. are enclosed, along with a C₁/C₂ Form.
