Re: Conveyor Amendment
Savage Coal Terminal
ACT/007/022
Carbon County, Utah

Dear Pam:

Enclosed are 3 copies of a proposed conveyor amendment for the Savage Coal Terminal M.R.P. The proposal is to add 3 additional permanent conveyors to transfer coal from the new track loop storage area to the unit train loadout system. It is also proposed to eliminate a portion of the ditch north of the railroad by extending the existing culvert. The proposal is submitted as an appendix for ease of review; however, pertinent pages and maps of the M.R.P. have also been changed to reflect the proposed system.

Amended pages and maps for the M.R.P. are enclosed, along with a C₁/C₂ Form.
