Re: Final Approval of Update of Bond Contingency, Savage Services Corporation, Savage Coal Terminal, C/007/0022, Task ID #2113, Outgoing File

Dear Mr. Jensen:

On January 10, 2005, the Division received an amendment for the updating of the reclamation bond. The amendment included the Division's reclamation cost estimate.

The Division estimated the reclamation cost for the Savage Coal Terminal to be \$2,155,000 in 2007 dollars. The bond amount for the Savage Coal Terminal is \$2,525,000; therefore, the current bond is adequate.

The above-referenced amendment is approved. A stamped incorporated copy is being mailed to Dan Guy for insertion into your copy of the Mining and Reclamation Plan.

Thank you for completing this permitting action. If you have any questions, please feel free to call me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
