Subject: Savage Coal Terminal Water Monitoring Data

The following samples have been oked to be uploaded:

CV-1W 06/30/2006
CV-1W 08/18/2006

A new water monitoring point has been added and needs to be put into the system. I have data for sampling from 08/18/2006 ready to be input when possible. The new site is titled Pond 5.
