Dana,

Per our phone conversation, I am sending the following information for the missing samples:

CV-15-W for April - Checked on 4/24/06 @ 1:30 P.M. - No Flow

CV-15-W for May - Checked on 5/24/06 @ 1:45 P.M. - No Flow

CV-14-W for 2nd Qtr. - Checked on 6/30/06 @ 1:35 P.M. - No Flow

I'm sorry for the mix-up. I hope this will be O.K.
