Subject: Mine and Reclamation Plan Rewrite T/A - Savage Coal Terminal
Date: December 15, 2008

This is a request for an extension of time to address the deficiencies in the above referenced T/A for the Savage Coal Terminal. Your letter of November 24, 2008 requests our response by December 31, 2008. This is a request to extend that response date to January 31, 2009.

Due to the holidays and vacation schedules, such an extension of time will allow for a more complete response to all deficiencies, particularly those that require input from other sources.

I appreciate your consideration of this request, and I hope it will meet with your approval.
