Dan,
We had sent the Annual Report to Jim Jensen. I am having Angela forward the Annual Report to you so you can complete it. You are hereby granted an extension to 7/31/2008 to submit it. Thanks for following up on this.

Hi, Daron. I just talked with Pete Hess and he mentioned that the Annual Reports were due on 6/30/08. I had previously checked with Boyd Rhodes and the Savage Office in SLC, and they hadn't seen anything on Annual Reports. Jim Jensen has retired and it may have been missed somewhere along the line. I should have just called the Division, but I spaced it off. The bottom line is that I didn't get it sent in, but I have all the information, and I can get it in next week. I need to request an extension to 7/31/08 to submit the report - I hope that can be approved. Also, I would appreciate it if Angela could e-mail me the required forms. I'm sorry for the delay. Thank you for your consideration.
