Hello April,

Sorry about the confusion on this amendment...Joe did email me, cc to you, that his tech memo was complete on November 24, 2009. It is the IR completion email I am waiting for.

Looking at the CTS, you assigned the team to review this amendment, but there is no date on when you assigned them...normally Jim does not assign the review team until the IR is completed, so I am sure you have completed the IR...maybe I missed this email from you...will you email me that the IR is complete and the date you completed it?

Thanks for helping me out on this one,
Suzanne
