Dear Mr. Walters:

The Division received your application for the above-noted permit change on May 18, 2009. Pursuant to R645-303-221, the Division completed the requisite 15-day Initial Completeness Review (ICR) and denies this application for a technical review.

The submittal text is in the old format. Savage Coal Terminal (Savage) has previously submitted an update to their MRP in the R645 format to the Division dated March 2, 2009. Please resubmit your resident agent update in this new format. In the new format, the resident agent information is listed under header 112.220.

If you have any questions, please call April Abate at (801) 538-5214 for further details.

Sincerely,

James D. Smith
