This Annual Report shows information the Division has for your mine. Please review the information to see if it is current. If the information needs to be updated please do so in this document. At the end of each section the operator is asked to verify if the information is correct. Please answer these questions and make all comments on this document. Submit the completed document and any additional information identified in the Appendices to the Division by April 30, 2010. During a complete inspection an inspector will check and verify the information. To enter text, click in the cell and type your response. You can use the tab key to move from one field to the next. To enter an X in a box, click next to the box, right click, and select properties, then the checked circle, then hit enter, or hit the unchecked circle if the X is to be removed.

Pond Inspections

Dear John:

The Annual Pond Inspections and Certifications were done on 09/21/09. Since these inspections are done in the 3<sup>rd</sup> Quarter, the Annual Inspection Report should also be used as the 3<sup>rd</sup> Quarter Pond Inspection Report for this site.

If you have any questions, or need any further information, please let me know.

Sincerely,
