Hi Dan,

As discussed earlier today, attached are the forms that need to be signed and returned to me in order to update the Reclamation Agreement for Savage. It looks like we do need a notarized signature from the Surety Company as well.

Here is the breakdown of what I have attached:

Exhibit "D" - Stipulation to Revise Reclamation Agreement

This document simply states that we are revising the bonded area to 132.5. This needs to be signed by the Permittee.

Exhibit "A" - Bonded Area

This documents needs a legal description/map of the bonded area, then it must be signed by the Surety Company.

Affidavit of Qualification for the Permittee

This document needs a notarized signature of the Permittee.

Affidavit of Qualification for the Surety Company

This document needs a notarized signature of the Surety Company.

If you have any questions - please do not hesitate to call me.

Thank you,
