RE: Midterm Permit Review, Savage Services Corporation, Savage Coal Terminal, C/007/0011, C/007/0022, Task ID #3953

**SUMMARY:**

In accordance with R645-303-211, The Division is required to review each active permit during its term. The Division commenced the Midterm Review for the Savage Coal Terminal on November 23, 2011. This Technical Memorandum reviews the ownership and control information to ensure that it is current and correct as compared to the information found in the Applicant Violator System (AVS).

The findings in this memo are based on a review of the current Mining and Reclamation Plan (MRP).

**TECHNICAL ANALYSIS:**

**GENERAL CONTENTS**

**IDENTIFICATION OF INTERESTS**

Regulatory Reference: 30 CFR 773.22; 30 CFR 778.13; R645-301-112

**Analysis:**

Savage Services Corporation is a Utah Corporation with all stock owned by Savage Companies. Information regarding the ownership and control of these entities can be found in the Legal and Financial Volume of Savage Coal Terminal MRP.

**Findings:**

The Ownership and Control information in the MRP was last updated in 2009. This information has been entered into the AVS database. The information in the MRP matches the information found in the OSM database.

If any ownership and control information has changed since 2009 then the Operator should submit the updates as a separate amendment.

**RECOMMENDATION:**

Approval of the Midterm Review is recommended. The Operator should submit an amendment if any of the officers and directors for Savage Services Corporation or Savage Companies has changed since 2009.
