Re: Request for Extension
Midterm Review Response
Savage Service Corporation
Savage Coal Terminal
C/007/0022 , Task #3953

Dear Mr. Christensen:

This letter is a request to extend the date for the midterm review response from March 1, 2012 to March 15, 2012. Dan Guy has discussed the probable need for this extension with April Abate of your staff. It is our hope this extension can be approved. If you have any questions, or need additional information, please let me know.

Sincerely,

Garth Nielsen
General Manager
